A. ABOUT CENTER FOR GOVERNANCE AND PUBLIC ACCOUNTABILITY

Centre for Governance and Public Accountability (CGPA) is a not-for-profit, non-governmental, non-partisan, civil society organization working for the promotion of public accountability and good governance. CGPA was established in 2011, and registered in January 2012 under the Societies Registration Act, 1860. CGPA is governed by a Board of Directors, comprising of seven members. CGPA has been actively providing specialized and expert technical services in public policy and governance, service improvement, promotion of peace and tolerance, inclusivity, rule of law, local governance, local finance & planning & revenues, digital solutions for service delivery and improved governance, transparency and access to information, civic education through research and analytical work, budget accountability and social audit, electoral reforms, legislative strengthening, and democratic development.

B. ABOUT THE ASSIGNMENT

B. 1. BACKGROUND

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) has initiated a project titled as Participatory Local Governance (PLG) to assist the governments in Punjab and Khyber Pakhtunkhwa to further strengthen their local governance system towards improved services delivery to the citizens. PLG builds on the earlier gains of its two completed projects in Punjab and Khyber Pakhtunkhwa i.e., the Support to Local Governance Project and the FATA Development Project by creating synergies on the already achieved results and the capacities built. The PLG will provide support mainly in three areas i.e., local revenue

generation, participatory development planning, and digitalization for improved services delivery.

GIZ has partnered with CGPA to assist the Government of Khyber Pakhtunkhwa (GoKP) in further deepening and expanding key reforms pertaining to local revenue mobilization, improving service delivery, and adopting sophisticated and improved mechanisms for citizens' engagement in service delivery. To deliver services in these areas, the GIZ has awarded a project titled as "Strengthening Capacities for Improved Management of Local Revenues and Local Services" under the overall umbrella of PLG Project.

The overall goal of the project is to "strengthen the capacities of the local governments for provision of improved local services and realization of local revenues". Specific objectives are:

- a. Strengthening capacities of the local governments for provision of improved local services through training and capacity building activities focusing especially on inclusive and gender responsive management of local services; and
- b. Strengthening capacities of the local governments for improved collections of local revenues through training and capacity building on use and operations of the FRIMS.

B. 2. PURPOSE AND OBJECTIVES OF THE ASSIGNMENT

The purpose of this assignment is to engage qualified Community Mobilization Experts to support the effective implementation of community outreach and stakeholder engagement activities under the project. The experts will play a key role in mobilizing local communities, enhancing awareness, and encouraging active participation in awareness and lobbying sessions —particularly regarding solid waste management. The goal is to leverage citizen's role in cleanliness and hygiene through effective solid waste management activities as envisioned in the KP Solid Waste Management Bylaws.

B. 3. SCOPE OF THE ASSIGNMENT

The scope of this assignment encompasses mobilizing local communities to participate in the awareness sessions on cleanliness and hygiene and the role of the citizens in effective solid waste management. The experts will be responsible for identifying capable elected representatives who will moderate these sessions. The experts will then engage with the selected elected representatives to plan and schedule the awareness sessions with the local communities and will also support in moderating these sessions.

B. 4. ACTIVITIES AND TASKS

The following activities and tasks will be performed by the Community Mobilization Expert:

<i>Sr.#</i>	<i>Activity / Task</i>	<i>Level of Efforts (days)</i>	<i>Timeline (Month)</i>

D. REPORTING STRUCTURE AND COORDINATION

The Capacity Building Expert will be supervised by the Project Manager, CGPA. The Capacity Building Expert will report to and will get directions during the currency of the provision of services from the Project Manager.

E. REQUIRED QUALIFICATION AND EXPERIENCE

This position requires a professional with extensive technical knowledge and hands-on experience in trainings and capacity building focusing on gender-inclusiveness, who can engage with stakeholders, analyze waste streams, and propose sustainable solutions. The following are the key qualification & experience criteria required for selection:

- Advanced degree in Public Administration, Institutional Development, Political Science, or Development Studies.
- At least 10 years of professional experience in public sector reform, decentralization, or institutional capacity development.
- Proven track record of working on institutional strengthening in the context of local governance, preferably in Pakistan or South Asia.

- Solid understanding of the LGA 2013 KP and the structure of local governance in Pakistan.
- Strong analytical and advisory skills; ability to work with senior government stakeholders.
- Experience with donor-funded governance programs is highly desirable.
- Excellent written and spoken English; proficiency in Urdu and/or Pashto is a plus.
