A. ABOUT CENTER FOR GOVERNANCE AND PUBLIC ACCOUNTABILITY

Centre for Governance and Public Accountability (CGPA) is a not-for-profit, non-governmental, non-partisan, civil society organization working for the promotion of public accountability and good governance. CGPA was established in 2011, and registered in January 2012 under the Societies Registration Act, 1860. CGPA is governed by a Board of Directors, comprising of seven members. CGPA has been actively providing specialized and expert technical services in public policy and governance, service improvement, promotion of peace and tolerance, inclusivity, rule of law, local governance, local finance & planning & revenues, digital solutions for service delivery and improved governance, transparency and access to information, civic education through research and analytical work, budget accountability and social audit, electoral reforms, legislative strengthening, and democratic development.

B. ABOUT THE ASSIGNMENT

B. 1. BACKGROUND

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) has initiated a project titled as Participatory Local Governance (PLG) to assist the governments in Punjab and Khyber Pakhtunkhwa to further strengthen their local governance system towards improved services delivery to the citizens. PLG builds on the earlier gains of its two completed projects in Punjab and Khyber Pakhtunkhwa i.e., the Support to Local Governance Project and the FATA Development Project by creating synergies on the already achieved results and the capacities built. The PLG will provide support mainly in three areas i.e., local revenue

generation, participatory development planning, and digitalization for improved services delivery.

GIZ has partnered with CGPA to assist the Government of Khyber Pakhtunkhwa (GoKP) in further deepening and expanding key reforms pertaining to local revenue mobilization, improving service delivery, and adopting sophisticated and improved mechanisms for citizens' engagement in service delivery. To deliver services in these areas, the GIZ has awarded a project titled as "Strengthening Capacities for Improved Management of Local Revenues and Local Services" under the overall umbrella of PLG Project.

The overall goal of the project is to "strengthen the capacities of the local governments for provision of improved local services and realization of local revenues". Specific objectives are:

- a. Strengthening capacities of the local governments for provision of improved local services through training and capacity building activities focusing especially on inclusive and gender responsive management of local services; and
- b. Strengthening capacities of the local governments for improved collections of local revenues through training and capacity building on use and operations of the FRIMS.

B. 2. PURPOSE AND OBJECTIVES OF THE ASSIGNMENT

The CGPA seeks to recruit a highly qualified Capacity Building Expert to develop a Gender-Inclusive Management of Local Services Training Manual, in alignment with ongoing local government reforms in Khyber Pakhtunkhwa (KP). This initiative addresses the urgent need to strengthen the capabilities of local service delivery institutions and personnel, ensuring they possess the practical skills and knowledge to effectively plan, implement, and monitor equitable public services. The manual will focus on critical sectors such as water and sanitation, education, and waste management, integrating gender-responsive frameworks and participatory approaches to ensure services meet the diverse needs of communities, including marginalized groups.

B. 3. SCOPE OF THE ASSIGNMENT

The scope of this assignment encompasses the development of a comprehensive, gender-responsive Training Manual on Inclusive Local Service Management, tailored to the context of Khyber Pakhtunkhwa's local governance reforms. The expert will conduct a thorough analysis of existing service delivery frameworks to identify gender gaps and institutional challenges. The manual will integrate participatory methodologies, gender mainstreaming strategies, and equity-focused monitoring tools to enable local officials and stakeholders to design, implement, and evaluate services that actively address the needs of women, girls, and marginalized communities.

B. 4. ACTIVITIES AND TASKS

The following activities and tasks will be performed by the Capacity Building Expert:

- Describing the methodology, work plan, and stakeholder engagement strategy.
- Assist in designing the door-to-door collection and waste characterization studies.
- Assist in conducting door-to-door collection and waste characterization studies.
- Design, in consultation with stakeholders, orientation sessions with local representatives on adopting and implementing SWM bylaws.
- Assist in developing analytical reports of the door-to-door collection, waste characterization studies, and formulation of business model for IRRC.
- Conduct orientation sessions with local representatives on adopting and implementing SWM bylaws.
- Develop reports of the orientation sessions.
